

WISE Learning Community Seminar Series
Inter Ag 175, course # 71688, 1 credit
Tuesdays 5:30 – 7:00 pm C6 Gordon Commons

WISE fall seminar series meets on Tuesday evenings 5:30-7:00 in C6 Gordon Commons (which is right next to Sellery Hall). Speakers will cover a wide range of research topics in engineering and sciences, along with broader artistic, political, economic and environmental aspects of science and its impact on society. Each seminar includes dinner, a lecture, and discussion with guest speakers. Each student's housing food account will be debited \$45 for the cost of 13 dinners. Students receive 1 credit for participation in seminar and discussion.

To sign up for the seminar series, register **AT SOAR** for **Inter AG 175, course number 71688, WISE Seminar**. Spots are reserved for all WISE students – all you need to do is register **AT SOAR!**

A few highlights for the 2008-2009 Seminar Series:

From rock climbing bum to tissue engineer

Dr. Kristyn Masters, Faculty in Department of Biomedical Engineering

Keeping doors open: serendipity, science, and your career

Dr. Christine Pfund, Associate Director of the Delta Program

Ethics, politics, engineering and science: sticky subjects we can't avoid

Dr. Sarah Pfatteicher, Assistant Dean of Undergraduate Programs and Services, College of Agriculture and Life Sciences

Sex, Drugs, and Rock and Roll: Adolescent Medicine Isn't For Sissies!

Pat Kokotailo, Associate Professor, Pediatrics: Director of Adolescent Medicine

We're Looking forward to seeing you at Seminar!

Professor Andrea Arpac-Duseau (Computer Science)

Professor Linda Graham (Botany)

WISE faculty co-directors
