

DIVISION OF
UNIVERSITY HOUSING
UNIVERSITY OF WISCONSIN-MADISON

Welcome to the ILC (Winslow, Richardson, Ochsner, and Faville Houses)!

My name is Lauren Fuller, and I will be your House Fellow in the ILC. I am a senior, majoring in Agriculture Journalism and Business Marketing. I've lived in the residence halls for 2 years in the Lakeshore Area of campus, and I'm thrilled to be back! I am sooooo excited to be your House Fellow this year.

Here's a little bit about me... I am a Madisonian, born and raised. I spent the spring semester studying abroad in Trinidad and Tobago, the twin islands east of Venezuela, where I participated in the world's best Carnival celebration. If you like to experience new music, I am your source for soca and calypso. I have participated in a little bit of everything on campus. I was in the marching band, served on the Residence Hall Advisor Board, and currently write for the Daily Cardinal (one of the papers on campus...the best paper on campus). I also work at Computer-Aided Engineering, as an IT knowledge base writer. I am in love with Badger football and sports in general, I am a huge cinephile, and will forever be a band geek to the core. And yes, I will have my entire collection of Harry Potter and Twilight books in my room.

My job as a House Fellow is to be a resource for you. I'm here to talk to you about any concerns, answer questions, and help you in any way I can. I am also here to develop a community in the gorgeous ILC. When you arrive, there will be plenty of opportunities to get involved in our house, in the Tripp/Adams/Slichter community, and around campus.

This summer I suggest getting in contact with your roommate to work out the logistics of your room (who is bringing what, when each of you is moving in, etc...) and to get to know one another. Call, e-mail, or Facebook them.

Once you arrive in Madison, there will be an many events taking place to help you get to know the city and the university, help you get involved in the countless groups on campus, and provide you with a great opportunity to meet new people.

It is going to be a fantastic year, and I'm looking forward to meeting you!

See you soon,
Lauren Fuller
