1. **My favorite song or music artist is:** I like dance music mostly. Anything I can dress up to ;)
2. **My favorite TV show is:** Rupaul's Drag Race is definitely up there.
3. **My favorite movie is:** I loved Momento. Freaked me out (in a good way)
4. **My #1 study tip is:** Don't procrastinate! I always find myself writing papers the night before, and I always get a better grade when I plan in advance.
5. **My favorite place to study is:** The LGBT Campus Center. It's always filled with friendly faces and a tip or two about whatever assignment I'm working on.
6. **My piece of advice I wish someone would have given me my freshman year is:**
Don't be afraid to try new things. It can get really scary to be on brand new campus, but you just have to dive in. Meet new people! Explore your identity! You might find something unexpected.
7. **My major is:** I'm majoring in Gender and Women's Studies and Creative Writing, with certificates in Leadership and LGBT Studies.
8. **If I had a million dollars I would:** Invest it into my own writing. I would publish a book of poems or produce a few plays.
9. **My favorite way to relax is:** Pop in a good movie, invite over some friends, and just laugh.
10. **If I could do anything and get paid for it I would:** Write write write. Hopefully this will be a reality someday.
11. **My dream job/career is:** To start a non-profit devoted to helping marginalized youth express themselves through writing.
12. **What are three wishes for your community?**
 - 1- That we can come together and not shy away from difference.
 - 2- That we can combat the evils of homophobia, Trans phobia, racism, and other isms that not only permeate throughout dominant culture, but that have also seeped into our own community.
 - 3- That young people will feel more comfortable identifying and we can see a whole new crop of activists arise from struggle.
