University Housing has been providing hall accommodations and services for campus summer programs for more than 90 years. Customers continue to provide high satisfaction ratings regarding cleanliness, maintenance and affordability. Residence halls are updated regularly to provide a comfortable, safe, convenient on-campus living environment. All campus residence halls are non-smoking facilities.

Built for your success.

Residence Halls for Adult Programs

Hall Features

- Daily housekeeping in common areas
- Complimentary wireless high speed Internet access
- Floor lounge for social time, including television, sofas and comfortable seating
- Check-in and check-out is typically available 24 hours a day. Check reservations about your group’s specific arrangements.
- Surveillance cameras at building entrances and electronic access at exterior doors
- Extra linens available at the hall desk
- Messages placed in mailbox
- Phillips Hall has private bathrooms for each guest room
- Shared bathrooms in most residence halls (Phillips Hall has bathrooms attached to guest rooms)
- Limited supply of complimentary shared items including irons, ironing boards, hairdryers, recreation equipment and reading lights
- Self-laundry, ice and vending machines within close proximity
- Most halls are accessible to guests with physical disabilities. Indicate special needs at least six weeks in advance of check-in.
- Smoke-free residence halls and campus buildings

Ogg: each locked bathroom serves four guest rooms, located immediately adjacent
Smith: each locked bathroom serves two to three guest rooms, located immediately adjacent

Conservation Efforts

Please help us support the campus and community conservation efforts. How can you help?

- Properly use the recycling containers
- Adjust your thermostat to be warmer while you are at your program
- Turn off lights and equipment when not in use
- Hang your “do not service” tag on your door to skip getting clean towels and washcloths on weekdays
