Do Not Call Me in an Emergency; Dial 9-1-1

If you are in an emergency situation or need to speak to a police officer right away, do not call me. That is right, do not call me. You should call 9-1-1 in an emergency or UWPD dispatch at 264-COPS (2677).

The UW-Madison Police Department (UWPD) is staffed 24 hours a day, 7 days a week, 365 days a year. There is always a dispatcher there to take your call and there are always police officers working on campus. Anytime, day or night, the UW-Madison Police Department is at work.

I, on the other hand, do not work 24 hours a day, 7 days a week, 365 days a year. I spend as much of my working time in the University Apartments, University Houses, and Harvey St Apartments area as I can. If I am working I will be dispatched and assist you in any way. If I am in my office I will answer your phone call and respond to your email.

In an emergency or if you need to speak with the police about an issue like a motor vehicle accident, a strange noise outside, concern for a neighbor, or any question that needs an answer right away you should call the UWPD dispatch center by dialing 9-1-1 or the non-emergency number of 264-COPS (2677). They will always be there to assist you when I am away.

As your Community Officer, upon my return, I will be informed of any calls that happened in my area and will likely contact you about the problem you had and anyways I can help you. But I do not want you to send me an email or leave me a voicemail about an issue that needs urgent attention as I may be gone for the night, the weekend, or off on a vacation.

So if the problem, issue, or question cannot wait do not call me, call UWPD and someone will definitely help you right away. And if I am working that will be me, but if I am not working it may be someone else and I will follow up with you as soon as I get back.

It is the job of UWPD to assist the students, staff, and residents. You should never hesitate to call us.

Please contact me if you have any questions about this or anything else.

New Food Pantry for UW-Madison Students

Associate Students of Madison (ASM), has a new food pantry called “The Open Seat.” UW-Madison students are able to go to The Open Seat and get non-perishable food items for themselves and their families simply by showing the Wiscard. The Open Seat is located in room 4209 of the Student Activities Center (333 East Campus Mall). More information, including how to donate, can be found on their website: www.asm.wisc.edu/resources/food-pantry.
One Sky World Kite Festival
Saturday, October 1, 2016

In early October, kite fliers from over 50 countries lift their kites into the wind expressing hope for peace and environmental harmony. This spirit recognizes and celebrates the rich cultural heritage of kite flying as a positive statement for promoting peace, international understanding and a sustainable planet.

Activities between 11:00 a.m. and 4:00 p.m., include:

- Many beautiful kites flown by regional kitefliers
- Banners, ground displays and wind thingys
- Kite making for kids from 1:00 – 2:00
- Sky surprises and bird gliders that drop from the sky

Bring your kites, friends and picnic lunches!!

The event is located at McKee Farms Park at 5700 Chapel Valley Rd., just off Fish Hatchery Rd. and McKee Rd. Exit at Fish Hatchery Road off the Hwy 12-18 Beltline (south side of Madison) and head south about 2½ miles on Fish Hatchery. After crossing McKee Rd. take the next right at the Summit Credit Union. Watch for kite festival sign!

For more details, contact Paul at 271-8265, betthewind@yahoo.com or Ray at 663-5822, RayBlum608@gmail.com.

Madison Metropolitan School District (MMSD) Immunization Requirements

Please make sure your school age children are up-to-date on their vaccinations!

MMSD wants every student to attend school, every day. MMSD will be sending out warning letters, on Monday, September 26th to alert parents of the Wisconsin state law requiring children to be up-to-date on their vaccinations. These letters will go to parents whose children lack required immunizations. We send these letters as a service to parents to alert them to be sure to get their child vaccinated before they are excluded from attending school!

Please be sure to provide proof of up-to-date vaccinations for your child by Monday, October 10th.

If you do not provide proof to your school by Oct 10th, MMSD will send you an Exclusion letter. This letter informs you that your child will be excluded from school starting on Monday, October 17th.

According to state law, your child will not be allowed to attend school until proof of up-to-date vaccinations is provided to your school. The exclusion period is for a maximum of 10 days.

If you have any questions about which vaccines your child may need, please call the UW Health University Station clinic at (608) 263-6421. Appointments for vaccinations can be made with them as well.

If you have any questions about the MMSD immunization exclusion process, please call your child’s School Nurse.

New Resident Manager: Meet Danny Corral

My name is Daniel Corral and I am the new Resident Manager for the Harvey Street Apartments. I have been living in Harvey Street for a bit over a year and I am excited to continue living in this community in this role. I completed my undergraduate education at Beloit College and majored in secondary education and history. I am currently a second year doctoral student in the School of Education studying higher education.

I am a native of Chicago, Illinois, where my family still resides. I love hanging out with my two nieces and two nephews. I really enjoy watching and playing sports, especially baseball, as well as listening to music. In addition to English, I can speak Spanish.

I am excited to meet everyone in the community. The Harvey Street apartments provide a unique space for people from all backgrounds to come together foster a welcoming community.
EAGLE’S WING TEACHER FEATURE: Julianne Weagley

We are happy to introduce you to another of our outstanding Eagle’s Wing Teachers, Julianne Weagley. Julianne is our newest addition to the HaNeul classroom. Julianne comes to us with a passion for pre-k and kindergarten students. Immediately before this teaching position, Julianne was a nanny in Madison.

Julianne is from Columbia, MO. Her undergraduate degrees in Psychology and Spanish are from the University of South Carolina. Her master’s degree is in Elementary Education. Julianne moved to Madison with her boyfriend, Nick, back in January of 2016. Nick provides marketing promotions for a local company. Julianne comes from a family of educators, and she is very close to her family. Her mother and father are professors at the University of Missouri at Columbia. Her older brother is a professor at Georgia Tech in Atlanta.

Julianne’s advice to parents is to be patient with your children. She brings a passion for teaching this age group. Her goals are to improve the knowledge and developmental skills of her students. Given the opportunity, Julianne would further her academic education with studies in how children learn to read and how teachers teach children to read.

Julianne will be a valued addition to the Eagle’s Wing staff!

Stay Grounded with the Grounds Department

Garbage

Please place garbage in the dumpsters—not on top of them. This attracts wild animals and is not sanitary. Please flatten cardboard boxes to make more room in dumpsters. Please pick up toys and bikes daily so lawn mowers can chop up leaves without having to move property.

Storage

After October 1 Most outside property must be in storage. The only property outside should be bikes in bike racks or second story landings in the 700s, 800s and 900s. And shovels, sleds and grills. This is required in common areas so we can efficiently blow out leaves and remove snow.

Laundry Soap: More is Not Better

A large number of our washing machine repairs are caused by improper use of soap.

Too much soap causes:
• Odors in the machine
• Slimy washer soap tray
• Poor washing performance
• Creates build up and residue that stays on your clothes
• Can lead to mold growth that then stains clothes

What you can do:
• When products over flow the compartments, it is very hard to clean without taking the machine apart.

Parking

Paid parking is getting full. Please do not park in visitor stalls or you may receive a $40 ticket. A map of parking stalls may be picked up at the Community Center or you can park in Lot Z (if you have current paid parking).

Trees/Shrubs

We will be planting more trees and shrubs. Please do not disturb the newly planted vegetation.
All parents eventually have to decide to leave their child home alone for the first time. Maybe you need to run to the store for a few minutes or work during after school hours, parents need to be sure if their children have the skills and maturity to handle the situation safely. Being trusted to stay home alone can be a positive and maturing experience for a child but you should be sure they are prepared and confident enough to do so. Here are some important tasks and questions you should consider before deciding the time is right to leave your child unsupervised by an adult.

- Is your home and neighborhood safe?
- Is there a trusted adult nearby who can assist if the child needs help?
- Is your child physically ready to be unsupervised? Can they…
  - lock/unlock the doors of your home?
  - perform basic tasks such as making a sandwich, use the telephone, write a message?
- Is your child mentally ready to be unsupervised? Do they…
  - know how to reach you by cell phone or office number?
  - tell time?
  - understand “stranger danger” and know what to do if someone comes to the door?
  - problem solve independently but also know when to ask for help?
- Is your child emotionally ready to be unsupervised? Do they…
  - recognize danger, stay safe, and use a telephone to call 9-1-1?
  - Is your child emotionally ready to be unsupervised? Do they…
  - feel confident and secure when alone?
  - seem willing to be without an adult?
  - know how to handle fear, loneliness, boredom?
- Is your child socially ready to be unsupervised? Do they…
  - talk easily to you about what happens at school and about their feelings?
  - feel confident enough to contact another adult if there is a problem?
  - know the names and numbers of other trusted adults if they need help?

Talk about these issues and any others with your child before deciding to leave them unsupervised. Go through “what if…” scenarios like if someone comes to the door or what to say to someone on the telephone if they ask for a parent. Make sure all important contact information is available to them and establish the rules, limits, and duties for the child while you are away.

Please contact me if you have any questions about this or anything else.

**University Apartments Assembly—Paid Position Available**

Be the next Assembly Newsletter Editor/Ad Manager! The current newsletter editor says “I’ve truly enjoyed this position in our community—being able to foster connections between residents. However, I’ve decided to turn my career back towards the path of teaching English. Therefore, the Assembly is looking to fill this position immediately. In order to be considered, you must have the ability to work in the U.S. Aside from writing for and creating the layout for the newsletter, other duties include having an active role on the Assembly—attending and speaking at meetings—maintaining good relationships and communication with advertisers, creating and sending out invoices/colloting and depositing checks.” This is a paid position. If you are interested, contact the assembly chair at assemblychair@gmail.com.

Greater University Tutoring Services (GUTS)
Tuesdays and Thursdays, 4:00-6:00 p.m., Community Center
The Greater University Tutoring Service (GUTS) is the largest and most used tutoring organization at the University of Wisconsin-Madison, serving over 4,000 students and providing the UW community with approximately 25,000 hours of academic support each year. This fall GUTS is teaming up with the Community Center to provide conversational English tutoring for youth currently in 3rd, 4th, and 5th grade living in University Apartments community. GUTS tutors have planned 45 minute reading/vocabulary, writing/spelling, speaking/listening and homework help activity stations. The program will run from 4pm-6pm Tuesdays and Thursdays and offer attendees the opportunity to participate in two stations with a 15 minute break in-between. The goal is to provide language and homework support to children living at Eagle Heights who are learning English while giving UW-Madison student volunteer tutors an opportunity to interact with and learn from the rich cultural diversity of the UA community. This is a FREE program, but registration for the GUTS is required. Please select one day (Tuesday or Thursday).
