We offer a variety of coed living options to accommodate the various interests of students. These terms will explain the living options offered in University Residence Halls.

**Single Sex Floors**
Entire floor is the same sex.
- Davis
- Kronshage
- Women in Science & Engineering (WISE) in Waters

**Coed Wings**
Women and men live on the same floor; however, there is some division such as a stairwell, elevator lobby, or hallway door. Floors have two or three wings depending on the residence hall. There are separate bathrooms for men and women on the floor.
- Bradley Learning Community (BLC)
- Chadbourne
- Slichter
