17. ASSIGNMENT POLICY
The Division will not discriminate in assigning rooms or roommates to University Housing on the basis of race, color, sex, sexual orientation, gender identity/expression, religion, disability, national origin, ancestry, familial status, political affiliation, veteran's status, or age.

The Division will do its best to honor student preferences for an assignment, however, there is no guarantee of an assignment to a particular room type, residence hall, learning community, or neighborhood. Most students are assigned to double rooms, while some will be assigned to single or triple rooms. Same-sex bathroom facilities are located in each residence hall. Failure to honor assignment preferences will not void the contract. Room changes may be requested beginning the first day of classes as noted in Section 19.

All residents with a binding contract will receive assignment information in mid June 2015. If you request an extension of your contract due date, you may be assigned at a later time over the summer or may begin in an Expanded Housing space (converted floor den or study room). If you receive information that you will be assigned later in the summer or to a temporary Expanded Housing room assignment, you may not later request cancellation of your contract for that reason and you must accept a permanent assignment when offered.

The Division reserves the right to change room or hall assignments, to assign roommates, or to consolidate vacancies by requiring you to move from single occupancy of a double room to double occupancy of a double room in the same hall. The Division reserves the right to temporarily assign additional residents above the design capacity of designated rooms until permanent space becomes available.

As deemed necessary, the University of Wisconsin-Madison, the Vice Chancellor-for Finance & Administration or designee may relocate any resident without cause or prior notice for health or safety reasons or to protect University property, restore operations, or meet the needs of the University community.

Smoking is not permitted anywhere in the University Residence Halls including student rooms and public areas such as dens, hallways, and bathrooms. Smoking is also prohibited outside within 25 feet of any University Residence Hall and/or dining facility.

18. ROOMMATES
You are welcome to request a specific roommate or indicate an interest in being assigned a random roommate. Your preferences must be electronically submitted by early May. All roommate requests must be mutual and there is no guarantee of an assignment with a specific individual.
The Division offers students the option to participate in Room Sync, a program that uses social media to help students find potential roommates. Requesting a contract due date extension or being offered a contract after May 1, 2015 will exclude you from participating in the Room Sync program. Room Sync is a third party program; the Division does not guarantee roommate success in the Room Sync program.

Assignment changes or contract decisions are made on an individual basis, and are not influenced by actual or preferred roommate pairings. Decisions made regarding a student’s contract or assignment do not alter the status of the roommate’s contract or assignment. Failure to honor your roommate preferences will not void the contract.

The Division will share your name, postal and email addresses, and telephone number, which are all considered public directory information, with any assigned roommate(s) unless a FERPA restriction is place on this data. Students wishing to restrict some or all directory information should log on to the Student Center for the campus My UW portal.

Behaviors with the purpose to bully, intimidate, harass, and/or physically harm a potential roommate either in-person, verbally, or through electronic medium (including but not limited to social media websites, texts, email, and/or instant messaging) may result in assignment to a different room and/or residence hall and/or cancellation of the housing contract. Cancellation of your contract by the Division does not relieve you of any fees and/or charges owed under this contract.

19. ROOM CHANGES
You may change rooms only with prior written authorization from the Division Assignment Office. The Division begins collecting room change requests on the first day of classes, for all terms, per the University of Wisconsin – Madison academic calendar. Unauthorized room changes or failure to move out of a room at a designated time may result in being required to move back to your authorized assignment and/or disciplinary action. If granted a room change, you are expected to follow checkout procedures as outlined in Section 25 of this contract. The Division will electronically notify your current roommate, if applicable, that Division personnel will be entering the room to perform a room inspection.

20. LIABILITY
Board of Regents of the University of Wisconsin System, its officers, employees and agents has no legal obligation, nor any ability to provide reimbursement for your personal property resulting from loss, theft, water damage, vandalism, or any other perils, unless damage results from the negligence of a specific University employee.

Accordingly, you agree to hold harmless and indemnify the Board of Regents of the University of Wisconsin System, the Division and its officers, employees and agents, for damages sustained by you or others, as a result of your acts or omissions, relating to any changes or modifications made by you to your room or furnishings, such as the configuration of loft beds, bunk beds, bookshelves, partitions, or other structures. This means that you are financially responsible for injury to another party, or damage to their property, as a result of any equipment or items you have constructed, created, purchased or used improperly, and that you will pay any resulting claims on behalf of the University.

21. INSURANCE
The Division is not liable for damage or loss of personal property kept in the resident’s assigned space or in other areas of University Housing. Because the Division does not provide property insurance, residents are encouraged to secure their own personal property insurance.

22. ROOM ENTRY
The Division reserves the right to enter your room in the interest of health, safety, security, and building maintenance. When possible, advance notice of room entry will be given. Division employees are required to report any violations of University regulations and/or terms of this contract observed when in your room. Authorized personnel may enter your room to:
   A. perform requested, preventive, prescheduled, or emergency maintenance;
   B. assess for any damages after a resident has vacated; or,
C. silence a disruptive noise in the absence of occupants of the room.

A. receive notification that your contract has been cancelled;
B. are no longer a student at the University of Wisconsin – Madison; or
C. have had your last instructional period/exam of the semester.

If you are graduating from the University, you may remain in your room until Commencement Day. Under no circumstances may you remain in your room later than building closing time on the last day of the contract term.

25. CHECKOUTS FOR ROOM CHANGES, CANCELLATIONS OR END OF CONTRACT TERM
You should begin the checkout process only after receiving prior written notification from the Division Assignment Office or at the end of your contract term.

You agree to follow the proper checkout procedures provided to you prior to changing rooms or leaving the residence halls. Failure to return your room key at the time of checkout will result in a charge to your account to change the lock on your room door. A room inspection by Division personnel will serve as the basis for any room change charges. Extra cleaning by Division personnel, de-lofting a bed, damages to your room, and/or abandoned property requiring storage until disposal will result in a service charge to your housing account.

26. DAMAGES AND LABOR CHARGES
You agree to pay for any damages:
A. to the building, including fire damage;
B. for missing or damaged furniture, keys and other property; and/or
C. labor costs caused by you to University Residence Halls because of your actions or intentions.

Where two or more residents occupy the same room and responsibility for damage or loss in the room cannot be ascertained by the Division, the cost of damage or loss will be divided and assessed equally among the residents of the room. The Division reserves the right to assess common area damage between residents of a house, floor, and/or hall.

27. ABANDONED PERSONAL PROPERTY
You are responsible for removing all personal property from the University Residence Halls when you move out. The Division has the right, without assuming any liability, to dispose of all personal property left or abandoned on the premises 60 days after the expiration or cancellation of the current contract. During such 60-day period, the University of Wisconsin Board of Regents, the Division and its officers, employees, and agents will not be responsible for loss, damage, or theft of your property.

28. DINING SERVICE
Dining service will be provided as described at www.housing.wisc.edu/dining on the housing website. Service hours and locations may be adjusted by the Division seven days after residents have been notified of the change. Dining service will not be provided during Thanksgiving and winter recesses including during the optional winter break housing period. The last day of dining service each semester will be the last day of exams.
