Regent St.

Important Dates

- August 27 & 28: General move in dates for Halls
- December 21: All University Residence Halls close - 12:00 p.m.
- December 14 – 20: Final exam period
- December 12: Last class day
- December 1: Classes resume
- November 27 – 30: Thanksgiving Recess
- September 2: UW-Madison academic instruction begins
- September 1: Labor Day holiday

Staying on campus is a once-in-a-lifetime part of the Badger experience, so make the most of it and return in 2015-16!

By returning to the residence halls next year, you get to:
- create your own experience by choosing your exact room and the friends who surround you.
- take over a home of rooms with your closest friends. Get a lakefront view or a private single room.
- continue enjoying all of the convenient food and services of University Housing, while taking advantage of new opportunities exclusively for returners.

New in 2015-2016: Career Kickstart in Ogg

Join fellow returners next year, and make the next step in your life with the new Career Kickstart program in Ogg. Beginning in 2015-16, Ogg will be exclusive to non-freshmen and will offer special events and resources geared towards landing an internship, finding a career path, and more!

5 Quick Steps To Connect

1. Enable the wireless network adapter on your laptop or wireless device.
2. Select the ResNet Wireless network from the list of available wireless networks.
3. Open your web browser. It will automatically redirect to the registration page.
4. Click “Start” under “COMPUTERS AND MOBILE DEVICES (DESKTOP, LAPTOP, SMARTPHONE & TABLET)”.
5. Enter your campus-assigned NetID and password at the login page, as well as your preferred contact information.

HELPFUL TIPS

1. Help conserve energy through common sense habits.
2. Close your drapes or blinds at night.
3. Open your drapes or blinds on sunny days during winter months.
4. Don’t leave the windows open.
5. Dress in layers.

As University Housing, energy conservation is a priority. A thermostat is located on the wall near your room entrance. The temperature setting on the dial determines the temperature of the room. When leaving your room for the day, please lower the temperature setting (during heating season) and close windows in order to help conserve energy. It is important to keep your windows closed during unseasonably cool or warm periods to conserve energy and maintain comfort for yourself and other residents.

Always check to make sure belongings (furniture, bedding, carpet) are not pushed up against the convector or radiator. A free flow of air must be maintained around the heating unit so air can pass through and heat your room.

CANS, GLASS & PLASTIC
Dinnerware, beverage cans, Glass & food beverages jars, Plastic bottles, 16 oz. containers
Compostable or Biodegradable PLASTIC CUPS
Non-metal cutlery
Empty aerosol cans
Bottle caps
MIXED PAPER
Newspaper inserts,
Envelopes
Cardboard
Clean food and beverage boxes
Non-greasy pizza boxes

Compost: Only

By practicing thoughtful recycling habits, you become an important part of a culture of sustainability in your new home at UW-Madison. As we share our space in the residence halls and the Madison community, we also share our space and resources with billions of people around the world. The recycling decisions that you make each day will help us save landfill space and preserve our resources for future generations to use.

Compost/organic waste
Food waste
Unused napkins, tissues or paper dinnerware
Dining takeout boxes

Trash to landfill
Grocery pizza boxes
Incandescent light bulbs
Wax paper (food and candy)
Plastic envelopes
Dish soap bottle caps (not labeled)
Batteries (all types and sizes)

SPECIALTY RECYCLING
(Holt Center & Gordon Dining and Event Center)
Plastic bags
Printer cartridges
Plastic bottles

Composting is easy!

Conveniently heated laundry facilities provide high efficiency washing for $2.25/load. To purchase a load, simply swipe your Wiscard in the laundry room.

To check machine availability, receive email notifications when your laundry is done, or send a service request, go to www.laundryalert.com or download the Laundry Alert app for your mobile device. The app can be downloaded for Android and iOS devices in the play store or iTunes App store. See flyers posted in laundry facilities for password.

ADAMS LAUNDRY FACILITY
Located on the first floor of the Noyes basement and the first floor of the Holt Center.

ADAMS HALL: DOUBLE ROOM DIMENSIONS
Please note: rooms may vary in size.

HELPFUL TIPS

• Help conserve energy through common sense habits.
• Close your drapes or blinds at night.
• Open your drapes or blinds on sunny days during winter months.
• Don’t leave the windows open.
• Dress in layers.

If you come across a broken window, lock, or another urgent room situation such as a malfunctioning elevator, it is important to contact your house fellow or hall desk immediately. Non-emergency repairs such as burnt out light bulbs, window screens that need to be replaced, furniture that needs to be fixed (that is otherwise not causing a hazard), or problems with insects in rooms, are requested through an online system by submitting a MARS request. Go to mars.housing.wisc.edu and submit a request. It is important that you do not submit MARS request for problems with ResNet.

ResNet Internet Service is available in all rooms and residence hall common areas, including floor dens and main lounges. In addition, expanded basic cable TV service is available in each residence hall room along with a variety of foreign language channels & several high-definition channels. In order to connect to your rooms cable TV, you will need a coaxial video cable. A complete channel listing (over 250 channels) can be found at http://cable.doit.wisc.edu/cblmlnup.
