While undergraduate and graduate students are finishing up their exams at the UW, a lot of work is taking place at the University Houses Site. Wall framing continues in Zones 2, 3 and 4, and french doors have been installed in buildings 13, 14, 15, 17, 19, 21, and 23. In the upcoming week, the French door installation will continue in other buildings as well.

**The Past Two Weeks**
- Wall framing in zones 2, 3 and 4
- Floor infill and stairs built at Bldg 29
- Pumps installed in the Basement of Bldg 30
- Installed exterior mounted VDV enclosures

**Coming Up in the Weeks Ahead**
- Toilets will be removed
- Install partial convectors in Zone 2 and 3
- Electrical Rough in Zone 2
