HOUSING MISSION STATEMENT

Be the Place Where Everyone Wants to Live.

HOUSING DIVERSITY STATEMENT

Each individual brings their own uniqueness to our community. All are valued for who they are and for their skills and contributions. We actively seek this diversity and work hard to help all staff and all residents feel that they are affirmed members of the community. By working together, we can create and maintain a work and living environment in which no individual is advantaged or disadvantaged for being different and where everyone has the opportunity to develop their potential and contribute fully to their community. We know that our residents and staff will thrive as a result.
