BE A MOVE-OUT
RECYCLING VOLUNTEER
MAY 7TH – 14TH

Why Should You Help?
Each year University Housing assists students and their families in donating or recycling their extra belongings by partnering with UW-Madison students, faculty, staff, and several campus and community organizations. With your help we can reduce the amount of items that get thrown away, and instead recycle or donate them to those in need and surpass the 104,300 pounds diverted in 2015!

What Will You Do?
• Staff a recycling site for a two hour shift at a location that is convenient for you; staff more than one if you like
• Assist with sorting items at each location: donations, metal, carpet, electronics, futons
• De-construct unusable futons
• Organize donation containers
• Answer questions, study, read, or relax; shift traffic is unpredictable, so be prepared for busy or slow times

When Can You Help?
May 7 – 14; shifts are available at various times and locations during University Housing move-out.

How Can You Sign Up?
Sign up for shift(s) at go.wisc.edu/recycle-volunteer. You will receive confirmation of your shift(s) and a recycling guide for your site via e-mail.

104,300 POUNDS
kept out of the landfill in 2015

1,184 lbs books
