

# Residence Halls

Summer 2010  
ADULT OGG & SMITH

University Housing has been providing hall accommodations and services for campus summer programs for more than 80 years. Customers continue to provide high satisfaction ratings regarding cleanliness, maintenance and affordability. Residence halls are updated regularly to provide a comfortable, safe, convenient on-campus living environment. All campus residence halls are non-smoking facilities.

## Room Amenities

### Furnishings

The University Residence Halls offer modern, simply furnished rooms suitable for either single or double occupancy. Each room includes:

- Clock radio, television, bottled water, and area rug
- Small refrigerator
- Dressers or shelving and spacious closets
- Bookcase
- Desks and desk chairs
- Single (twin-size) beds with pillows and bed linens
- Bath towel sets
- Toiletries including soap, tissues, and drinking cups.

### Air Conditioning

Central air conditioning.

### Internet Service

All guest rooms provide wired high-speed Internet access at no additional charge. Floor dens and common areas provide wireless access.

### Housekeeping

- Standard housekeeping services provide daily cleaning (except Sundays) in guest rooms, which includes beds made, rooms cleaned,

towels changed and trash emptied. Bed linens are changed every 5-7 days for guests staying longer than one week.

- Guests staying in traditional halls may desire limited housekeeping service in guest rooms. This option should be discussed with your professional conference planner.
- We support the conservation efforts of campus and the community by encouraging recycling, asking that guests place the “do not service” signs on doors if they do not need rooms cleaned, hanging towel sets that do not need to be changed, monitoring indoor temperature levels and being good stewards of resources by reducing waste.

### Televisions and Cable TV

- All guest rooms are cable-ready. For guests who bring their own televisions and cable, cable TV is provided at no additional charge.
- Live digital television streams can be viewed on a guest’s computer via the campus Digital Academic Television Network (DATN). Current channels include ABC, CBS, NBC, FOX, CNN, The Weather Channel and a variety of news and foreign language channels.
- A small television is provided in each guest room.
