- D. If Lessee fails to take possession of the premises described in the Lease Acceptance within the first five days of the lease term or notify the Division of a later arrival date, such failure shall be construed to be a notice of termination of this lease and Lessee shall be liable for rental payments during a 90-day notice period commencing on the first day of the lease term.
- E. Lessees are required to terminate their lease if the number of occupants exceeds the maximum for their apartment as described in Item 4 OCCUPANCY LIMITATIONS.

The Division reserves the right to enter a Lessee's apartment during all reasonable hours to respond to emergency pest control issues.

- D. Lessee should immediately report to the Division any needed repairs to furnishings or buildings. If service or repairs are required because Lessee or Lessee's family, roommate, or guests were careless or negligent, Lessee will be liable for the cost.

- A. Lessee agrees to pay for any damages, including fire damage, lost property, or service or repair cost to Division property caused by acts of omissions of the Lessee or Lessee's spouse/domestic partner, roommate, guests, dependent children or other legal dependents.
